

# Enrich, Extend, Engage...

## RESEARCH & LEARN

- select a subject to focus on for your project
- brainstorm and negotiate with a mentor an area of interest
- identify a problem or project specific to your area of interest
- create a project outline, including your inquiry question
- use a range of resources, including mentors, to learn all you can about this problem/topic

### ASSESSMENT 1 (25%)

#### Project Pitch

*Due:* Term 1, Week 6

*Outcomes:* 1, 2, 3

Focusing on a specific subject of your own choosing, engage in enrichment problem or project based work relevant to that subject.

## APPLY & CREATE

- apply your learning in a creative way to teach, engage, amuse, inform, or inspire an audience of your own choosing

### ASSESSMENT 2 (25%)

#### Progress Meeting

*Due:* Term 2, Week 7

*Outcomes:* 3, 4, 5

## TEACH & EXHIBIT

- design an engaging exhibit to showcase your learning for others, including experts in your selected subject

### ASSESSMENT 3 (50%)

#### Product & Exhibit

*Due:* Term 3, Week 8 & 10

*Outcomes:* 2, 3, 6, 7
