

Project Question Evaluation

Is My Question Worth Asking?

Quality	Definitely	Somewhat	Not At All	How could I improve this?
Is not too broad. It allows for depth not breadth				
Is at the High Order end of Bloom's				
Uses background knowledge				
Reflects an underlying tension, forces you to weigh evidence and consider divergent views				
Is of interest to my audience				
Serves as a discussion starter, problem poser or suggests a line of inquiry				
Generates curiosity				
Poses a reasonable challenge				
Allows for creative approaches and divergent thinking. Acknowledges different perspectives				
Challenges assumptions				
Is open ended. The "answer" is not obvious				
Focuses on how and why rather than what				
Helps to uncover the controversies of the topic				
Is clear and simple in its expression				
Will sustain your interest for the duration
